

Yallambee Village Update

To protect our community from the Corona Virus (COVID-19), everybody needs to play their part. This means constant handwashing and hygiene measures, disinfecting surfaces, limiting physical contact with others and social isolating. Evergreen has closely been following the advice from the Department of Health and we will be implementing further restrictions as detailed below. Your health and safety are our highest priority and we will endeavour to provide as many alternate options as we can.

Shopping Buses

The buses to West Gosford and Gosford will be cancelled until further notice.

Accessing Banks and other services

If you need to go to the bank or access other services, individual trips can be arranged through our Emergency Response Team.

Ever-bean Café

Sadly, we will be closing the Café from Tuesday 31st March.

Groceries

Evergreen will now be providing a delivery grocery service to our residents. If you would like to take advantage of this, please fill out the attached shopping list and return to Reception. Any groceries ordered will be charged to your Account. There will be a delivery fee of \$5 per order.
