

Dear Residents, Families and Friends,

Evergreen and the Central Coast continue to remain COVID free, however, we remain on alert due to outbreaks occurring in parts of Sydney. The NSW Ministry of Health have expressed concern about the potential of these outbreaks to escalate in a similar manner to the Cross Roads Hotel, but we are somewhat reassured by the very active tracking and tracing program in place.

Visiting Update

Precautions in place for visiting the Lodge will continue, in order to keep our community safe. A copy of Yallambee Lodge Visiting Guide can be found [here](#).

Face:Face, window and virtual visits can be booked through Reception on Phone 4349 2301.

Access Restrictions

Access is not currently permitted for visitors who have in been in Victoria (including Shepparton), Lakemba (suburb), Liverpool Local Government Area and Camden Local Government Areas in the last 14 days.

We also ask that you check the list of areas and venues on high alert due to known COVID-19 cases prior to visiting (click on this [link](#).)

Exceptions

Compassionate exceptions for visiting may be granted by the Facility Manager (Ann Young) or Care Manager (Malo Kilander).

Visiting Pets

I'd like to take this opportunity to alert families to Evergreen's Pet Policy.

While we do allow well behaved dogs to visit, we require:

- A vaccination certificate
- The visitor and pet may only visit in the resident's room.

If you are bringing a pet for a visit, please fill out the questionnaire provided at Reception.

Stalls

In the coming weeks we will be holding a variety of stalls for Residents and Families to start some early Christmas Shopping. Stalls will be located in the

Reception Area near the Meeting Room. All stall holders will be wearing facemasks and have a current flu vaccination. The first stalls are:

Wednesday 21st October

Jan's Sweet Treats

Tuesday 10th November

Crafty Critters

Tokyo Olympics

The *Enduring Evergreen Energetics* are enjoying participating in the Tokyo Olympics Competition. Collectively the team have travelled 126km, placing them in 4th position at present. What a fabulous effort!

I hope you all have a great week!

Stay safe and best wishes
