

Dear Residents, Families and Friends

I hope you have been enjoying the freedom to stay longer during your visits this week! Evergreen remains free of any diagnosed cases of COVID-19; however, we remain cautious due to low levels of community transmission in Sydney with unknown sources. Visiting guidelines remain unchanged (click this [link](#) to access) and we will continue to monitor the situation closely with regular updates.

### New Online Booking System!

The safety of residents, staff and visitors has always been Evergreen's highest priority, never more so than during the COVID-19 pandemic.

To make the visiting and screening process easier, we are launching a new digital booking system called **Zipline**. This will be implemented over the next few weeks.

**You can still call reception to book during visiting hours on 4349 2325, or in person.**

**If you would like to try the online booking system:**

- You can make a booking by clicking on the following [Zipline Link](#).
- It may ask you to upload evidence of your flu vaccination, or you can bring it with you when you visit. If you have provided us with a copy our team will upload it for you.

When you arrive at the Lodge, the Zipline screen is located in the vestibule on your left.

- Stand in front of the screen and it will take your temperature
- You can then respond to the questions on the screen or use the paper check in system as usual
- If you have booked online or over the phone, much of the form will be pre-populated
- Our friendly reception staff will be available to assist you with the new system
- As before, entry will not be permitted unless we have evidence of a flu vaccination and appropriate responses to the screening questions

It will take a few weeks to adjust to the new system, so don't hesitate to ask if you have any questions or issues.

### Visitor Access Restrictions

Access to Yallambee Lodge is not currently permitted for visitors who have been in Camden LGA, Lakemba and Liverpool LGA. We ask that you monitor the areas and venues on high alert by visiting this [website](#).

### Bus Excursions

We are looking forward to recommencing Ice Cream trips from the 9<sup>th</sup> November.

### Electrical Upgrade

Please see attached the scope of works for next week for the electrical upgrade.

## COVID-19 Update No.32

Have a great week and stay safe

Kind Regards

Helen Wilson

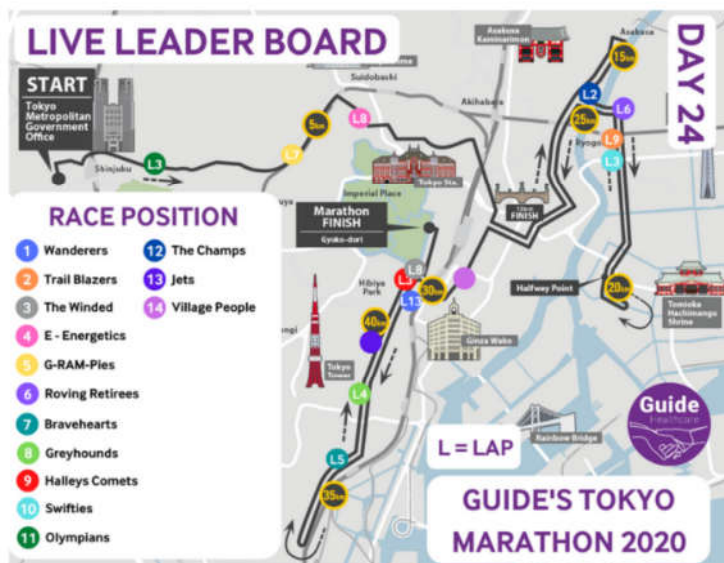

### Social Snippets

A big thank you to Sheila and Arthur Heggie who held a stall at the Lodge today selling her beautiful sewing dolls! It was lovely to have you take part in our Christmas stalls!

### Tokyo Olympics

The Enduring Evergreen Energetics have walked 300km as of 29<sup>th</sup> October. We are currently in 4<sup>th</sup> Place! Go team!

Friday 30<sup>th</sup> October 2020
