

Dear Residents, Families and Friends,

Just a brief update this week!

It is very pleasing to see that there have been no cases of community acquired cases of COVID-19 in the last 13 days in NSW!

As the risks reduce, we can enjoy a little more freedom, but must remain vigilant in a vulnerable community such as at Evergreen. Hand hygiene, social distancing, and screening remain critical to the wellbeing of our community as we have seen that the COVID-19 virus can circulate undetected for weeks prior to an outbreak.

Visitor Rules

There is no change to our Visitor Rules today, however, we will review our guidelines upon receipt of the Department of Health update expected next week.

In the meantime, we'd like to know how you are finding our online booking system and the electronic check in on arrival. If you haven't used it yet, [here is the link](#).

Christmas Day Lunch

- Don't forget to book your Christmas Day lunch at Reception.
- A maximum of 2 guests will be permitted.
- Unless public health orders change, families may join residents for a private lunch in their room or in the Main Courtyard.

Stay Safe

Warm Regards

Helen Wilson
