Wednesday 30th December 2020 to 6th January 2021

Unfortunately NSW Health have advised today that all aged care facilities in Greater Sydney (including the Central Coast) must close to visitors **up to and including Wednesday 6th January 2021**.

This is a precaution due to an increase in the number of community transmission cases (18 in the last 24 hours) and a number of unlinked cases and seeding events across Greater Sydney. We do not have any diagnosed cases at Evergreen Life Care. Staff continue to wear masks as a precaution.

Options available It is recommended that families and friends keep in touch with residents during this period by phone.

or

We can assist residents with

- Video calls
- In some cases, window visits

To can make arrangements, phone reception on **02 4349 2301** during reception hours

Where an exception is required on compassionate grounds, please contact management by phone or email:

- debbiec@evergreenlifecare.org.au
- elizabethp@evergreenlifecare.org.au

Resident outings are discouraged except for essential medical appointments. Residents leaving the facility for other reasons will be required to isolate for 14 days on return.
